## YOU'RE INVITED ...

The City of Medford has undergone many infrastructure improvements over the last few years and now it is time to celebrate. You will be able to tour their wastewater and brand new water treatment facility. City Engineer, Seth Peterson and Public Works Director, Rich Kucera will be on hand for all your questions. You will also find their City Council, Park Board, Planning and Zoning and EDA members in the Fire Hall along with cold water and baked goods. Firemen will be at the old football field giving tours and demonstrations of the fire equipment. Tuesday, August 2nd - 5:00 to 8:00 pm - You may park at the old football field and catch the free shuttle bus to tour the Medford City facilities.

## A POSSIBLE JOB OPENING ??

Monday morning at 0600 hours law enforcement received an anonymous tip of a driving complaint regarding a cancelled driver. The 34 year old male driver of a 1996 white Ford truck was stopped as he was arriving for work on 62nd Ave. S.W. While questioning the driver about the driving violation, Deputy Brady Wolhart detected the odor of an alcoholic beverage coming from his breath. The driver denied any alcoholic consumption. The result of his PBT was .083. The driver was on probation and had four previous DWI's in the past 10 years. The suspect was booked and held for court. Deputy Darrin Helget assisted at the scene. That's probably not a good way to head into work!!
