Steele County Agenda Item

Subject: Boiler Replacement – Annex

Department: Building & Grounds

Committee Meeting Date: N/A

Board Meeting Date: October 18, 2017

Consent Agenda: Yes No

Resolution: Yes No

Policy Committee Recommendation:

N/A

Recommendation:

Replace boiler at annex with two new boilers.

Background (*Including Budget Impact*):

Boiler leaking seal is out on lower back section. Boiler is about 60 years old and cannot get parts. Two new high efficiency boilers will allow for redundancy – if one goes down, the other will keep the building warm enough to prevent damage from freezing of pipes, etc. until repairs can be made.
