

Steele County Outdoor Recreational Facilities Tobacco-Free Policy

Section 1: Rationale

WHEREAS, the County believes that tobacco and electronic delivery device use in the proximity of children and adults engaging in or watching outdoor recreational activities at County-owned or operated facilities is detrimental to their health and can be offensive to those using such facilities; and

WHEREAS, the County has a unique opportunity to create and sustain an environment that supports a non-tobacco norm through a tobacco-free policy, rule enforcement, and adult-peer role modeling on County-owned outdoor recreational facilities; and

WHEREAS, the County believes parents, leaders, and officials involved in recreation are role models for youth and can have a positive effect on the lifestyle choices they make; and

WHEREAS, the tobacco industry advertises at and sponsors recreational events to foster a connection between tobacco use and recreation; and

WHEREAS, tobacco products/cigarettes, once consumed in public spaces, are often discarded on the ground requiring additional maintenance expenses, diminish the beauty of the County's recreational facilities, and pose a risk to toddlers due to ingestion; and

WHEREAS, the County Park & Recreation Board determines that the prohibition of tobacco use at the County's recreational facilities serves to protect the health, safety and welfare of the citizens of Steele County.
